

# Court Defers More Penalty Against UMW, John L. Lewis

Washington, April 23 (P)—Judge T. Alan Goldsborough today postponed indefinitely any further contempt penalty against John L. Lewis and the United Mine Workers union.

Goldsborough accepted a government recommendation that he impose no further punishment at this time.

Assistant Attorney General Graham Morrison said no useful purpose could be accomplished by new fines against Lewis and the union now.

Last Tuesday, Goldsborough fined Lewis \$20,000 personally and the UMW \$1,400,000 for criminal contempt of court. The contempt finding was based on their disregard of an April 3 court order to stop the coal strike.

There was also a finding by the judge that Lewis and the union were guilty of civil contempt.

Today's court session was for sentencing on the civil contempt charge.

Morrison told Goldsborough that 85 per cent or more of the soft coal miners have returned to work.

Therefore, Morrison said, he moved that a civil contempt sentence be put off "indefinitely." The judge agreed.

Morrison said "the government is quite happy" over the back-to-work movement in the coal fields.

The government attorney indicated that the Justice Department might renew its contempt charge if there is a resumption of the walk out.

**Bars Further Strikes**  
Goldsborough has issued an injunction under the Taft-Hartley labor act. This injunction, or court order, forbids continuance or renewal of the strike on grounds it would threaten the national health and safety.

Lewis' attorney, Welly K. Hopkins, agreed to Morrison's proposal that the civil contempt sentencing be put off indefinitely. He said there were more than 85 per cent of coal diggers back on the job—the figure used by Morrison.

Judge Goldsborough said "the court is more than happy to know that the normal situation is being restored."

"The court postpones indefinitely any sentence for civil contempt."

**County Schools  
To Go On DST

That announcement was made after the superintendent had checked with various principals of the high school centers and learned that the schools in those boroughs will join their communities on Daylight Saving time.

Pointing out that the entire school system interlocks due to transportation of youngsters to the schools, the county superintendent directed that all schools adopt Daylight time in order that there will be no confusion.

Because of inability to contact all schools prior to Monday the county superintendent asked that newspaper reports be accepted as a direction from the county office.

The Adams county court house officials voted this morning to adopt Daylight Saving time for the court house, and Commissioners' Clerk Clarence C. ## Hold Hearing On Transfer Of Liquor License

A hearing on the application of Maxine Stewart, Hotel Eberhart, for the transfer of a liquor license from W. B. Aldinger, Chambersburg street, to the Hotel Eberhart, was held this afternoon before Norman Miller, trial examiner for the Liquor Control board in Harrisburg, according to an Associated Press dispatch.

It was brought out that Miss Stewart had leased the Hotel Eberhart from George and Mary Eberhart, containing 26 bedrooms and four other rooms for restaurant and beverage service.

Miss Stewart said that she had spent \$10,000 remodeling the hotel, and "it is now equipped as a first class restaurant and hotel."

Two questions were before the examiner: whether the hotel premises are within 300 feet of Christ Lutheran church, and whether Miss Stewart is the sole owner.

**Tells About Notes**

B. H. Berg, enforcement officer for the Liquor Control board, said that Miss Stewart borrowed \$10,000 from a bank on two notes, one for \$7,500 and the other for \$2,500. He said the notes were endorsed by Harvey A. Warner, Gettysburg restaurant owner.

Berg also testified that Warner accompanied Miss Stewart on a trip to buy restaurant equipment.

Miss Stewart said that after she had been refused a liquor license, she purchased Aldinger's license, located 98 1/2 feet from Christ Lutheran church, and that her property is 160 feet from the church. She said there were three licensees in that block and that transfer of Aldinger's license to her would not increase that number.

**Used His Experience**

Miss Stewart said "Mr. Warner is a good personal friend of mine." In answering Berg, she said: "Mr. Warner is in the restaurant business and I took advantage of his experience." She said that Mr. Warner has no financial interest in her business and will not have interest in the hotel in the future. She said she had previously operated a bowling alley.

Scott Leiby, Harrisburg attorney, represented Miss Stewart. Counsel for the liquor board did not ask any questions.

Examiner Miller will submit a report with his recommendations to the liquor board, which is not compelled to accept them.

Under the plan outlined Thursday night the raiser will keep half of the quail raised and the other half will be turned over to the association and held over until next spring as breeders which in turn will be given to anyone wishing to raise quail again next year. The raiser furnishes equipment and feed for the birds.

## 4 Township School Districts Will Form New Jointure With Gettysburg; Others Undecided

Four township school districts signified their desire to join with Gettysburg in the formation of a joint consolidated school district Thursday night at a meeting in the high school.

Three districts, Cumberland, Freedom and Highland townships, reported their boards had voted in favor of the jointure at a meeting held in the library of the Gettysburg high school at 8 p. m., Thursday night. Straban township school board members met after this meeting and voted to enter the jointure.

A meeting will be held at the high school April 29 at 8 p. m., to sign the articles of agreement, which were presented and discussed Thursday night.

Five townships of the nine invited to meet with the Gettysburg board on April 12 to discuss jointure plans have reached no decision yet. One, Liberty township, was not represented at Thursday night's meeting. Fairfield has reached no decision, board members reported; Franklin township will meet later to vote on the question. Hamiltonban and Mt. Joy will also hold meetings.

**Consider Union District**

The articles of agreement, prepared by the Gettysburg school board and read by the superintendent of schools, Dr. Lloyd C. Keefe, provided that two from each district participating in the jointure be elected to a jointure committee. Costs of the jointure would be divided on a pro rata basis on the average daily attendance figures of each district. Capital outlays would be on the assessed valuation of each district.

The articles of agreement further provide that at the end of three years of the jointure, the question of forming a union school district be submitted to the voters, and that if not approved at that time, the question be resubmitted every three years thereafter.

Paul M. Rohrbaugh, president of the Gettysburg school board, presided at Thursday night's meeting. After reading a suggested resolution to be adopted by school boards desiring to enter the jointure and the proposed articles of agreement, Dr. Keefe declared that "What we do from now on depends on the willingness or unwillingness of your boards to join with us. The next move is for you to have board meetings and decide whether you want to go into a jointure."

**Need Early Action**  
Dr. Keefe stressed the need of quick action because of budget-making, pool-buying of supplies and teacher survey.

President Rohrbaugh called the roll and three of the township boards replied immediately that they were ready to enter a jointure, with Gettysburg as the nucleus.

Cumberland township was the first to report, followed by Freedom. Highland township reported that its board had held a meeting Thursday night prior to the joint meeting here and voted in favor of the jointure.

The articles of agreement were discussed, section by section, with no criticisms voiced, and were unanimously approved by a show of hands.

In addition to the township boards represented and Superintendent Keefe and members of the Gettysburg school board, County Superintendent of Schools J. Floyd Slaybaugh, Assistant Superintendent Charles I. Raffensperger, and two members of the county board, Luther E. Jacobs and Lloyd E. Crouse also attended the meeting.

## NEGRO RED IS HELD FOR QUIZ IN DEATH PLOT

Detroit, April 23 (AP)—Officers whisked a mystery witness into police headquarters today as they pressed their manhunt for the gunman who tried to kill Walter F. Reuther. Prosecutor James N. McNally said the witness, not identified, was the one who first gave information to police about Nelson Davis, an admitted Communist, now in custody for questioning.

Detroit, April 23 (AP)—An intensive police probe into the attempted killing of Walter Reuther was stepped up today with the continued questioning of an admitted Communist.

The 52-year-old negro foundry worker was reported by an unidentified fellow employee at a Ford Motor Co. plant to have said he knew who fired the shot that shattered the arm of the CIO United Auto Workers' president Tuesday night.

Prosecutor James N. McNally identified the man as Nelson Davis and said he had signed a formal statement that he was a member of the Communist party.

He emphasized, however, that no charge has been placed against Davis. There is conclusive evidence that he was on the job when Reuther was attacked, McNally added.

3 Others Released

Davis was taken to police headquarters yesterday along with three other UAW members. McNally informed his attorney Davis would be held without charge for further questioning today "by court order if necessary."

The others, Sheldon Tappes, 37, former secretary of Ford local 600, Percy Llewellyn, ex-president of the local, and Wilfred Grant, left the station after questioning by police officers.

Prosecutor McNally said he had talked to the tipster who gave police news of Davis, and had received "some valuable information." The informant's identity remained a closely-guarded police secret.

"He is the father of six children and leading a respectable life," the prosecutor added. "His name will not be disclosed."

Appearance of former UAW secretary-treasurer George F. Addes at police headquarters also marked last night's developments.

Towle Sterling Brings Back

## TIGERS, MACKS POSSESS BEST HURLING CORPS

By JOE REICHLER

(Associated Press Sports Writer)

If the Detroit Tigers and Philadelphia Athletics had more batting punch to back up their strong pitching staffs, they and not the New York Yankees and Boston Red Sox probably would be the co-favorites for the American league flag.

There seems little doubt the Tigers and Athletics possess the best mound corps in the junior circuit.

Currently they are leading the parade with three victories and no defeats each. And it takes no Sherlock Holmes to come up with the reason — fine pitching plus clutch hitting.

Take yesterday's games, for example. The Tigers got only six hits off rookie Howard Judson and Ike Pearson, yet defeated the White Sox in Chicago, 3-2. Virgil (Fire) Trucks went the route for Detroit, yielding eight hits. He walked one and allowed one extra base hit.

That made it only 23 hits and seven runs given up by Detroit hurlers in three games, an average of less than eight hits and about two runs per game. Hal Newhouse opened day and Dizzy Trout and Stubby Overmire gave up three runs and seven hits Wednesday. The Tigers, meanwhile, accumulated only 27 hits and 12 runs themselves.

### Fly Lost In Sun

Philadelphia's pitchers have been equally effective. Joe Coleman yesterday became the first Athletics' hurler to fail to go the distance, but some splendid relief pitching by Bob Savage helped the Mackmen nip the Red Sox in Boston, 5-3. Savage held the slugging Red Sox to one hit in a three-inning game. He was credited with the victory when the A's scored two runs in the ninth as rightfielder Sam Mele lost Barney McCosky's fly ball in the sun.

The national league race, as predicted, already is showing signs of turning into a free-for-all. With only four playing days gone, every club has been beaten at least once. The St. Louis Cardinals and Philadelphia Phillies, last of the unbeaten, got their first lickings yesterday. The Cards were edged out by the Cincinnati Reds in St. Louis, 4-3, while the Boston Braves walloped the Phils in Philadelphia, 10-4.

In the other National league games the Brooklyn Dodgers defeated the Giants in New York, 6-3, and the Pirates shut out the Chicago Cubs in Pittsburgh, 3-0. The Yankees, St. Louis Browns, Cleveland and Washington were not scheduled.

Mothers Will See "Macbeth":

"Macbeth" in all its Shakespearean splendor will be presented by the Owl and Nightingale club of Gettysburg college in the Eddie Plank Memorial gymnasium, May 13. The show is to be one of the features of Mothers' Day.

The play has been rewritten by Dr. Richard A. Arms. Miss Mildred Dimmerling will play the role of Lady Macbeth while Russell Maloney will play the opposite lead of Macbeth.

**Bankard—Bemiller:** Miss Pauline E. Bemiller and Grover E. Bankard, both of Littlestown, were married at "Brookside Place," near Westminster, Tuesday, by Elder William E. Roup.

**Reigle—Worley:** Miss Sarah E. R. Worley, daughter of Mr. and Mrs. George W. Worley, Hanover R. 5, became the bride of Paul P. Reigle, son of Mrs. Maria A. Reigle, Littlestown R. 4, at a ceremony Saturday evening at 8 o'clock in the parsonage of Christ Reformed church, Littlestown. The Rev. Dr. H. H. Hartman officiated.

**Degroft—Morgett:** Miss Gladys Morgett, daughter of Mr. and Mrs. Alfred Morgett, Littlestown, and Wilbur J. Degroft, son of Mr. and Mrs. Harry E. Degroft, Kingsdale, were united in marriage in St. John's Lutheran parsonage, Littlestown, on Saturday evening at 8 o'clock. The ring ceremony of the Lutheran church was performed by the Rev. A. R. Longenecker.

**Harner—Good:** Miss Virginia Harner, daughter of Mr. and Mrs. William Harner, near Bonneville, and Charles Good, son of Mr. and Mrs. Charles A. Good, of Mt. Pleasant township, were united in marriage Saturday evening at 6 o'clock at the Grace Lutheran church parsonage, East Middle street, by the Rev. J. M. Myers.

**Hinkle—Chronister:** On Saturday evening at 8 o'clock Miss Naomi Hinkle, of Aspers station, and Howard Chronister, of East Berlin, were married by the Rev. J. Harold Little, pastor of the Hampton Lutheran church.

**Lippy, the Magician, Entertains Roosevelt Kiddies in White House:** Sister Dail, six, and her little brother, Buzzie, two and one-half year old, grandchildren of President and Mrs. Franklin D. Roosevelt, were "spell-bound" and "thrilled" when John D. Lippy, Jr., well known magician, pulled Easter bunnies out of a high silk hat, displayed brightly colored eggs from hidden nooks and in many other ways amused and entertained the youngsters by his feats of magic.

Lippy, the magician, was one of the feature attractions at the annual White House Easter Monday egg-rolling affair.

**Rome Kneels as Pope Imparts Benediction from St. Peter's—Rome,** April 17 (AP)—For the first time in more than three score years, a pope Sunday imparted the Easter benediction to his diocese from the balcony at St. Peter's.

Promptly on the appearance of Plus XI before a huge crowd that thronged St. Peter's square, church bells in Rome rang out in unison. It was a signal for all the faithful to kneel and receive the blessing.

In churches, homes and even in the streets, people knelt in reverence.

A hundred thousand jammed the basilica square. Fifty thousand crowded into the great cathedral for Easter mass, which the pope himself said, resuming a custom not observed since 1870.

**Honor Hitler on Birthday:** Berlin, April 21 (AP)—Never within the memory of the oldest chancellery servant has there been such an overwhelming flood of gifts as Chancellor Adolf Hitler received Thursday on his 44th birthday.

More than 2,000 telegrams had been delivered Thursday afternoon and telephone operators at the chancellery did not have a minute's rest.

## Today's Talk

SO YOU'RE INSIGNIFICANT?

I stand in awe and wonder before an intricate machine like a printing press, an airplane, or a gigantic motor giving out light to millions in a great city. Coming out of Washington recently, I stood and watched the long train of cars behind the powerful engine that was to take me back to my home town in four hours.

But each one of us has a more intricate and wonderful machine in this body of ours. How it functions so accurately, when faced with abuse by so many, will always remain a mystery. In Dr. Fritz Kahn's absorbing book, "Man in Structure and Function," he says of the heart that "in the course of a single day the heart is theoretically capable of filling three tank cars with ten thousand litres of blood, and in seventy years it pumps 250 million litres of blood, a quantity sufficient to fill the cubic area occupied by a modern skyscraper."

All our life comes from the Sun. Without it, none of us would be here. Yet this Sun reaches down to the most insignificant, tiny flower and gives it life, beauty and fragrance. How, then, can you—God's greatest creation—feel insignificant? You are not! You may live humbly and simply, but so long as you perform your best, and try to make life about you better, and give out the love that is in your heart to others, far or near, you may be assured that you are living a significant life—and be both proud and happy over the fact.

I do not even believe, with Thomas Gray, that "many a flower is born to blush unseen, and waste its sweetness on the desert air." Some creation of nature, some animal, some bird, or merely the floating wind, seems sure to contact its existence to some happy and appreciative pot. Even the tiny flower could not have been created in vain. Its very life is testimony to the fact. Some wind, or bird, may have distributed its seed around the world. Who can say?

We know so little about human life—its whys and wherefores—from whence it first came, or its future destination. We only know that here we are, and that it is important that we are here, and for a purpose. Every life is significant—but all of us have it within our power to make our lives more significant!

Tomorrow Mr. Adams will talk on the subject: "When Are We Old?"

## Just Folks

By EDGAR A. GUEST  
The Poet of the People  
OUTSIDER

When business men sit down to chat,  
I might as well put on my hat  
And take a walk around the block.  
I nothing know of bonds and stock.

When Kettering and Zeder meet,  
And I'm allowed with them to eat,  
A listener I am glad to be,  
But much they tell is Greek to me.

'Tis strange, I've lived so many years,  
With financiers and engineers,  
And still in ignorance remain  
Of all that is to them so plain.

Who knows what power controls the mind  
Or by what means it is confined,  
That some with knowledge are supplied  
Which unto others is denied?

**Briton Here for Confab:** New York, April 21 (AP)—Prime Minister Ramsey MacDonald, of Great Britain, came to America today to study the shifting scenes of world economics with President Roosevelt and representatives of other nations.

When he left England and even when former Premier Eduard Herriot, of France, left his homeland two days later, the United States was still, at least technically on the gold standard.

But he arrived today in a land which for the time being has abandoned that standard as England itself did months ago.

**Present Play at St. James Church:** "Ba Thane," a one-act missionary play of Burma, will be presented by members of the Student Volunteer movement of the seminary and college, all of whom are preparing to serve in the mission fields, in the chapel of St. James Lutheran church on Wednesday evening at 7:30 o'clock. They will be assisted by several young women.

**Personal Mention:** Mrs. Preston Tate, Carlisle street, has gone to New York city for a visit with Mr. and Mrs. William Ingersoll.

Miss Katherine McPherson Howe, of Cambridge, Mass., is spending some time as the guest of Mr. and Mrs. Donald P. McPherson.

Mrs. Henry W. Phelps, Mrs. William Miller Welch and William Phelps have returned from a motor trip to Toronto, Canada.

Donald McC. Swope has returned from New Haven, Conn., where he spent the Easter season.

# Trans-Jordan King Calls For Arab Armies To Join In Battle After May 15

## JEWS' ENEMIES AWAIT END OF BRITISH RULE

By CARTER L. DAVIDSON

Amman, Trans-Jordan, April 23 (AP)—King Abdullah urged all Arab nations to send their armies into Palestine to battle the Jews when the British give up their mandate May 15.

Trans-Jordan's monarch told reporters yesterday the Arab world must act against Zionism—the push for a Jewish homeland in the Holy Land—because "our peace and liberty are at stake."

"I call on all Arab countries," he said, "to join my army in a movement to Palestine to retain the Arab character of that country."

**Busy On Preparations**  
Abdullah's two-year-old kingdom is just east of Palestine. Some 10,000 of his soldiers—about two-thirds of his Arab legion—now are in the Holy Land.

He said they will stick to their job of helping British security forces, and not start military operations until the mandate ends. "But they will and they are now in the process of training and preparing for that date," he added.

Abdullah saw Ahmad Sharabati, Syrian defense minister. Tomorrow he will talk with Iraq's regent Abdullah and the Iraqi chief of staff. Arab leaders here were calm about news of recent Jewish successes in the Palestine warfare. They said, "Wait until May 15."

**50,000 Ready**  
In Cairo, reliable sources said yesterday as many as 50,000 men from the regular armies of six countries will move into Palestine from three directions May 16 unless United Nations action meanwhile changes the situation.

These soldiers, the informants said, will strike north from Egypt and Saudi Arabia, west from Iraq and Trans-Jordan and south from Syria and Lebanon. They will consist either of regular army units or of army regulars released for Palestine duty.

The sources said Arab leaders are convinced they have underestimated Jewish power and that the Arab volunteer army now in Palestine will not be enough to withstand it.

Only Yemen in the seven-nation Arab league was exempted from the Palestine effort.

The league's political committee met for four hours on Palestine yesterday in Cairo. Syrian Premier Jamil Mardam Bey said after the meeting, "We will fight on land, sea and air until we achieve victory."

## 358 Pa. Towns To Use Daylight Time

Harrisburg, April 23 (AP)—The Pennsylvania State Chamber of Commerce today counted 358 communities that will definitely observe Daylight Saving time this summer. A final tabulation by the Chamber showed 132 municipalities, decided this week to mark fast time starting Sunday.

Only two communities, Hastings and West Wyoming, were listed in the Standard time column. Another, Coaldale, reversed its decision this week and decided in favor of fast time.

## Littlestown DEDICATION OF ORGAN PLANNED

Plans are nearing completion for the formal presentation to the church and also for the rededication of the two manual Wurlitzer electric organ and chimes in St. Luke's church, White Hall. The organ and chimes were installed several months ago and the organ has, likewise, been in use for sometime, but due to unavailability circumstances, there was a delay in setting the date for the dedication service. This service of presentation and rededication will be held Sunday, May 9 at 7:30 p. m. and will be in charge of the Rev. Dr. J. M. Myers, Lutheran pastor, and the Rev. John C. Brumbach, Reformed pastor.

The organ is a gift of Mr. and Mrs. John H. Hartlaub, Hanover, R. 4, members of the church, in memory of Mr. Hartlaub's mother, Mrs. Albert Hartlaub, and in memory of Mrs. Hartlaub's mother, Mrs. Flora Spangler. The chimes are a gift of Albert Hartlaub, a member of the church, also residing at Hanover, R. 4, in memory of his wife, Alberta Hartlaub.

The program, in addition to the formal presentation and acceptance and dedication, will include a half hour organ recital by Miss Doris Baker, Hanover, organist at St. Mark's Lutheran church, Hanover; a special number by the St. Luke's choir and a duet by two members of the choir.

The church was recently the recipient of a gift of 21 choir gowns, which will also be dedicated at this service. Likewise, a memorial picture of S. Sgt. Vernon R. Sents, Gold Star member of the church and the church's servicemen's honor roll of

World War II will be included in the dedications. The complete program will be published in the near future. The public is cordially invited to this service.

## LARGEST FARM MEETING HELD

Somerset, Pa., April 23 (AP)—A farm cooperative meeting which its sponsors claim was the largest ever held in the United States drew an attendance of 2,328 men and women here last night.

It was the annual session of the Somerset county Farm Bureau Cooperative association, whose members and their wives ate dinner at 14 of the town's dining halls.

Later they heard Fred E. Herndon, president of the Illinois Supply

Cooperative, tell them co-ops are "one of the greatest antidotes to Communism."

"Through cooperatives the common people are able to help themselves instead of depending on a paternalistic government," Herndon asserted. He urged the farmers never to let their organizations get into politics or to let them be "operated on religious or racial lines."

Officials said the Somerset Co-op did \$2,717,869 worth of business last year, including the handling of a half million dollars worth of eggs. They reported the organization was worth \$13,947 in the first year of its existence, 1937; now has a net worth of \$336,849.

SAYS EDUCATION IS NEEDED TODAY

Carlisle, Pa., April 23 (P)—The college-trained man has the best chance of succeeding in the world of affairs, Revell W. Brown, president of the Reading company, said today.

"I am not here to shout hurrah for a college education simply as such," Brown said in a talk prepared for a forum on higher education, business and industry in connection with the observance of the founding of Dickinson college in 1773.

"But let me say this," he said, "the world of today requires trained men and educated men, and the educated man with the will to do and the ambition to serve is assuming leadership in all industry."

Commenting on the earnings of college trained men, Brown said of the persons receiving \$5,000 a year or more 50 per cent are college graduates and 39 per cent from high school. The remaining 11 per cent had about eight years of schooling. "National averages show that the college graduate at peak earnings has 42 per cent more income than the high school graduate," Brown added.

Woman Who Heard Lincoln 101 Tuesday

Hagerstown, Md., April 23 (P)—Mrs. Mary Young Dewees celebrated her 101st birthday with her favorite dessert of ice cream and cake at the Williamsport sanitarium Tuesday.

Mrs. Dewees says she was born in Leesburg, Va., and claims to have listened to Abraham Lincoln make his Gettysburg address. She is the widow of an officer in the Confederate army.

Balboa, C. Z., April 23 (P)—Francisco Ibarra Mayorga, Nicaraguan opposition leader, said here Thursday the successful revolution in Costa Rica will encourage the opponents of Anastasio Somoza to take up arms in Nicaragua. Somoza is Nicaragua's war minister and strong man.

Property Transfers

Oscar Lawrence and Hazel A. Deatrick, Mt. Joy township, sold to Christian C. and Naomi R. Peachey, Pyshtville, Md., for \$6,000, a 26 acre property in Straban township.

PA. DELEGATES ARE UNPLEDGED

Harrisburg, April 23 (P)—Virtually all of the candidates for the 73-man Pennsylvania delegation to the Republican national convention are unpledged in their choice for President.

But it's a different story among candidates to represent the state at the Democratic national convention. Forty of the 66 Democratic district delegates are pledged to back the selection made by voters in the April 27 primary, probably President Truman. His is the only name on the preferential ballot.

Candidates in both parties were given an opportunity to sign a pledge in filing nomination papers. Any signer must work at the convention in the interests of the person receiving the highest number of popular votes for President.

The Democratic delegation will have 74 votes at the Philadelphia convention July 12, one for each district delegate and one-half for each of 16 delegates-at-large. Republicans, on the other hand, are entitled to 73 votes at their Quaker City conclave June 21. In addition to one vote for each of the 66 delegates—two from each Congressional district—they will have a vote for each of the eight delegates-at-large.

Eighty-five of the 94 GOP candidates are following out Gov. James H. Duff's pronouncement that the Keystone state delegation will be unpledged. A Duff-proposed proviso, however, calls for a vote on the first ballot for Pennsylvania's favorite son, U. S. Sen. Edward Martin.

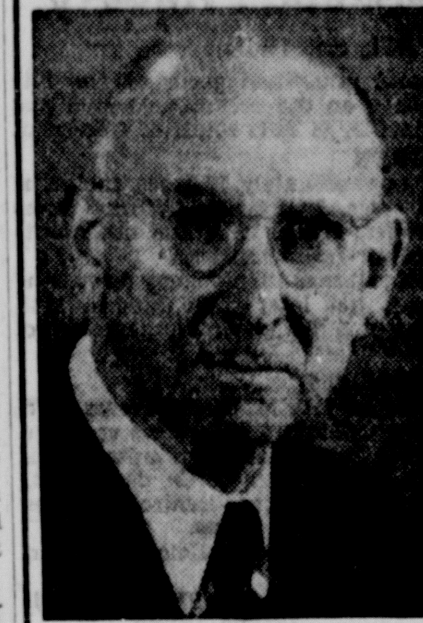

OIL FROM SHALE

Chicago, April 23 (P)—The United States has enough potential gasoline and oil in shale beds in the west to run its automobiles and machines for 150 years, a report to the American Chemical society estimated today. Most of this oil-bearing shale is found in the Green river area of Colorado, Wyoming and Utah. It is estimated to contain about 300 billion barrels of shale oil. Said John S. Ball, G. U. Dinneen, C. W. Bailey, John R. Smith and R. A. Van Meter of the Bureau of Mines Petroleum and Oil-Shale Experiment station, Laramie, Wyo.

San Jose, Costa Rica, April 23 (P)—Costa Rica's new government acted sternly Thursday with guns, to bring peace back to revolt-torn San Jose. Armored cars were ordered out by President Santos Leon Herrera's government to smash bands of armed militiamen still roving the capital's streets. Four militiamen were killed yesterday.

The parliament on the Isle of Man meets once a year—in the open air on a hillside.

# TOUGH TEST FOR STASSEN SEEN IN KEYSTONE VOTE

Philadelphia, April 23 (AP)—The presidential derby moves into Pennsylvania next Tuesday with the biggest question mark opposite the name of Harold E. Stassen.

The question involved is whether Stassen—fresh from victories in Wisconsin and Nebraska—can add the industrial Keystone state to his fold.

Only a sampling of voter sentiment is expected at the April 27 primary. With the GOP state leadership frankly playing the field with a big bloc of 73 unpledged delegates, one of the contenders entered for the Pennsylvania presidential preference vote. A blank space on the ballot, however, permits write-in votes.

Dewey Was Choice in '44

That was the situation four years ago when Gov. Thomas E. Dewey, of New York, rolling on to the 1944 presidential nomination, piled up a write-in vote of 146,706 compared to 502 for the former Minnesota governor, Gen. Douglas MacArthur, an avowed candidate this year, got

9,032 write-in votes four years ago.

On the Democratic side, President Truman was entered for the Presidential preference vote by the Democratic state committee without his consent. J. Warren Mickle, Democratic state chairman, announced the Pennsylvania delegation of 74 members will support President Truman.

While neither Stassen nor other presidential contenders campaigned for the state's delegates, the former Minnesota governor named Col. Jay Cooke, Philadelphia, to look out for his interests.

Without predicting the result of the primary, Cooke said of Stassen's prospects: "I find in the last few weeks a definite groundswell of opinion and sentiment in favor of Stassen, much more noticeable since the Wisconsin and Nebraska primaries."

Governor James H. Duff, who will head the Pennsylvania delegation at the Republican convention here in June, has insisted the delegation keep an open mind on candidates until the convention sessions start.

The plan of strategy is to rally around U. S. Senator Edward Martin as the state's "favorite son" candidate for the first few ballots but to be prepared to take quick advantage of developments.

Lake Success, April 23 (AP)—Australia demanded Thursday that the United Nations proceed immediately to carry out partitioning of Palestine. The Soviet-satellite bloc also reopened its attack on the United States proposal to shift from partition to trusteeship.

Bogota, Colombia, April 23 (AP)—The Pan American conference, tentatively scheduled to close April 30, moves back to the national capitol today amid efforts to reach an agreement on the colonial question.

# STEEL REJECTS WAGE DEMANDS

Pittsburgh, April 23 (AP)—The U. S. Steel corporation rejected its workers' demands for a pay boost and at the same time yesterday announced a cut in the prices of its products which it said amounts to \$25,000,000 a year.

"Big Steel" said it hoped its action would help to halt the rising cost of living.

The announcement broke off negotiations for a pay raise between U. S. Steel and the CIO-United Steelworkers. The union said no strike will result.

The steel company's price cut, effective May 1, drew a comment from U. S. Sen. Francis J. Meyers (D-Pa.) that the move is "puzzling indeed."

"I think the reason for this action should be looked into," said Meyers. "I have not yet had an opportunity to analyze the steel industry's announced reduction in prices but I do know that its \$5 a ton increase of a few months ago was not only unjustified but gave rise to increased steel prices all along the line. Why the steel industry insisted upon an increase only a few months ago and now suddenly retreats from that position is puzzling indeed."

meeting in the fire hall, Saturday from 8 to 11 p.m. will be in charge of the following committee: from the Woman's Community Club of Littlestown and vicinity: Mrs. Paul E. Altoff, Mrs. Harvey W. Schwartz, Mrs. Carl Baumgardner, Mrs. William Gingrow and Mrs. Ralph White.

## FOOD BASKETS TO BE GIFTS AT COOKING FETE

Cooking school time is coming! Littlestown and vicinity residents will have an opportunity to learn new methods of food conservation, from an expert of many years' experience in homemaking, when The Gettysburg Times cooking school comes to Littlestown on May 3 and 4.

Cognizant of today's high prices for nearly everything that goes onto the family table, Mrs. Nancy Rowe, Times cooking school lecturer, will devote her two sessions at St. Aloysius auditorium on these two evenings to showing Littlestown and vicinity residents how good meals can be tastefully prepared at a minimum of expense.

Mrs. Rowe is one of the nation's best known authorities on food and homemaking. She lectured at the very successful Times cooking schools held in Gettysburg in the years prior to the war. Her return both to Gettysburg and to Littlestown is being eagerly awaited by hundreds of residents of both communities.

### Sessions at 7:30 P. M.

Cooking school sessions on both Monday and Tuesday evenings will begin promptly at 7:30 o'clock. The doors to the auditorium will open at 6:30 p. m. Because of the limited seating capacity, no children under 16 years of age, either accompanied or unaccompanied, will be admitted.

The dates for the Littlestown cooking school were fixed and the sessions approved by the late Rev. Fr. John H. Weber, pastor of St. Aloysius church, before his death, and, although the church and school are observing a 30-day period of mourning, special permission was obtained for the use of the auditorium as planned.

Twenty baskets of food will be given away, ten each night, at the Littlestown cooking school. Each of the baskets will contain the following items: one jar of C. H. Musselman's Ready-to-Use apples; one quart of Fessier's pasteurized milk; one loaf of Weikert's bread; one can of Hanover canning company vegetables; one can of Leadway whole green beans; one package of Kellogg's all bran; one bottle of King's syrup; one package of Borden's instant mix; one package of Borden's Hemo; one package of Morton's salt; one package of 12 Crown cork Mason jar caps and one package of Tootsie Pudge'n Frosting mix.

In addition, on the last night of the cooking school, 30 grand prizes will be awarded. Tickets will be given out both nights of the cooking school, for these second night awards.
